

FAMILY FAITH FORMATION

Welcome to the Journey of Faith

Dear Parents and Guardians,

May the Peace of Christ be with you and your families! We are pleased to announce OPENING DAY for Fall 2020-2021 Registration is October 14 – November 7. For your safety and ours all registrations take place online –only no on- site registrations. Classes begin mid- November, 2020.

All classes will be a family experience designed to equip parents to teach, share faith, and pray with their children as they lead family sessions in their home to encounter Jesus, experience the beauty of the Mass, connect with Scripture, and engage in meaningful conversation, through a variety of hands-on and innovative activities & digital platform.

Due to the COVID-19 Pandemic, we are limited in what class levels we will offer. We will not offer any post-sacrament Bible study classes.

Religious Education is an opportunity for ongoing faith formation and brings families to Christ through sharing in the Catholic faith and through instruction in doctrine. We help children to understand their faith as Christian Catholics.

Families interested in enrolling their children in St. Pius V Catholic Church faith formation and/or sacrament preparation programs should be registered parishioners, participating at Mass, and contributing members of the parish.
